Sir,

I have the honour to state that it is a part of the new University Scheme that Tutors should be employed in both the Colleges to assist the Professors. Six tutors were meant to be employed in each of the Colleges. The subject was considered by the Committee, and they resolved that eight tutors may be appointed. Mr.Tait considered that two (English) were sufficient for the Central College for the present. For the -- Maharaja's College six tutors (2 English, 2 History & Economics, 1 Philosophy and 1 Sanskrit & Kannada) are asked for.

These places will be on a temporary basis, and the appointments will be made for three years. These tutorships are to be given to men who have taken good degrees, and are anxious to qualify themselves by further study and practical experience for higher posts in the Colleges. Mr. Denham suggested that a pay of Rs.75 - 100 should be fixed in their case, but the ---- President is inclined to agree with the Inspector General of - Education that it may be fixed at Rs.75/- a month.

I am directed to request that Government may be pleased to pass early orders sanctioning these posts.

I have the honour to be,
Sir,
